HF8

user manual

getting started

Congratulations! Thank you for choosing the HF8 headphones. Before using the HF8, you should read this manual to get the best possible results with your headphones.

safety rules

1 Please follow the instructions in this manual carefully to ensure your safety. Before using the HF8, we would strongly encourage you to read this entire user manual.

2 Be careful of any edges, uneven surfaces, metal parts, accessories and packaging, so as to avoid any possibility of injury.

3 Do not dismantle, repair or modify the product, as this could cause fire, electric shock or irreparable damage to the product, which are not covered under warranty.

4 Do not use cleaners or volatile liquids to clean the HF8.

**5** Do not use the HF8 in hazardous locations.
